

PEDIATRIC CHAMPION OFFICE HOURS:

FEBRUARY 27, 2024

2:00 - 3:00 P.M.

Dr. Sam Mishra and Aubree Verlinde will discuss the Pediatric Readiness Project in greater detail this month. They will discuss the Peds Ready Assessment, review EIC (EMS for Children Innovation and Improvement Center) resources and provide insight for hospital ED PECCs (Pediatric Emergency Care Coordinators) working on Pediatric Readiness. Additionally, the speakers will address the importance of collaboration with Trauma Program Managers and Pre-Hospital PECCs for optimal impact on pediatric readiness in the ED as well as provide an announcement from the MI Emergency Nurses Association (ENA). There will be time for questions and support for your individual ED PECC needs during this session, please come with questions!
