

PEDIATRIC EDUCATION HOUR:

Pediatric Head Injury and Concussion

August 26, 2025, 2 p.m. - 3 p.m.

Dr. James Eckner and Dr. Steve Broglio, from the University of Michigan Concussion Center, will be providing a presentation on pediatric head injury and concussion. The presentation will discuss the importance of concussion awareness, prevalence, and who is at risk. It will also include field and clinical patient assessment and management, and the long-term effects of head injury and concussion.
