

REGION 2N EXECUTIVE SUMMARY, BP 5

REGION 2N HEALTHCARE COALITION

BACKGROUND

The Region 2 North Healthcare Coalition is a multi-disciplinary, multi-jurisdictional organization whose goal is to enhance domestic emergency preparedness for the healthcare community. Its partner organizations include hospitals, medical control authorities including their Emergency Medical Services agencies (private and public), health departments, homeland security and emergency management agencies, long term care agencies, community mental health agencies, home health agencies, hospice, the American Red Cross, the R2N Trauma Network, the regional epidemiologist, the Macomb County Public Health MRC, dialysis centers, and other organizations.

Region 2North is the second most populous region in Michigan. Its three counties – Oakland, Macomb, and St. Clair – are home to 2.3 million people, several universities and a large business and technology sector. R2N also shares an international border crossing with Canada.

Region 2 North Healthcare Coalition is a 501(c)(3) organization under the Internal Revenue Code.

MISSION

The R2N mission is to work to implement the activities of the national Healthcare Preparedness Plan (HPP), while developing and facilitating a coordinated healthcare response to disasters in our region or state in an all-hazards approach while augmenting existing resources and healthcare preparedness to meet the health and medical needs of the community during an emergency.

GEOGRAPHIC DETAILS

- Population – Over 2.3 million (23% of state)
- Three counties (2nd and 3rd largest in state)
- Geography – 2,077 square miles
- International bridge crossing with Canada
- Diverse race and ethnicity
- Just north of Region 2 South which also has 2.3 million population
- Three Medical Control Authorities
- 31 Hospital Partners including:
 - Twenty-Seven Hospitals
 - One Level I, Eight Level II, Six Level III, and Two Level IV - Trauma Centers
 - One Level II Pediatric Trauma Center
 - Two burn surge facilities
 - One Special Pathogen Response Network Tier 2 Hospital
 - Five Surgical Hospitals
 - Four Psychiatric Hospitals
- Regional Trauma Network
- 82 Licensed Long Term Care facilities (59 Participating)
- 75 Home, Outpatient Services, and Hospice facilities (49 Participating)
- Numerous Homes for the Aged and Adult Foster Care Facilities

- Many other Health Care Facility Types in area (Dialysis, Health Centers, FQHC, etc.)
- Part of Cities Readiness Initiative/BioWatch
- Four major highways (I-94, M-59, I-696, I-75)
- Numerous colleges and universities
- Home to Fiat/Chrysler/Stellantis Headquarters and the General Motors Technology Center
- Selfridge Air National Guard Base and Tank-automotive and Armaments Command (TACOM),
- Several major outdoor entertainment venues

REGIONAL HVA KEY PRIORITY FINDINGS

Top 5 Regional Priorities

- Epidemic or Pandemic
- Severe weather
- Power failure
- Cyber security incident
- Mass casualty incident

PREPAREDNESS OBJECTIVES

- Develop a regional preparedness and response plan reflecting roles for the Regional Medical Coordination Center (RMCC) and various partners.
- Promote training and exercising at the regional level.
- Support the regional epidemiologist to assist in disease surveillance.
- Support the regional trauma coordinator as requested.
- Support the local Medical Control Authorities as requested.
- Support and engage with local emergency management, public health, and/or medical control authorities in a regional medical coordination in response to natural or man-made disasters, or other emergencies as part of the overall regional emergency management system and multiagency coordination system.
- Develop collaborative plans and provide regional assets to support the healthcare coalition to mitigate, plan for, respond to and recover from incidents.
- Support the various CMS Facility Types in advancing their preparedness planning.

RESPONSE OBJECTIVES

- Follow the National Incident Management System (NIMS) command and control structure.
- Maintain situational awareness through the timely exchange of essential elements of information.
- Provide resource support to coalition members and other Michigan healthcare coalitions through the mutual aid process.
- Facilitate the communication and coordination of incident response actions for members as part of the multiagency coordination system.
- Facilitate the communication and coordination of asset distribution as indicated by response including Personal Protection Equipment (PPE), Strategic National Stockpile assets, ventilators, and other assets.
- Promote and adhere to risk-based methodologies that ensure the safety of the emergency responders and support personnel.
- Enhance interoperable communications through using technology and systems:
 - EMResource Data Entry
 - MICIMS
 - MIHAN Alerts
 - Emails
 - Phone calls
 - 800 MHz radios
 - Web conferences including Zoom, phone conferences, etc.
 - Region 2 North website (www.region2north.com)

- Region 2 North Facebook page
- Support the State of Michigan Community Health Emergency Coordination Center (State Emergency Operations Center Medical Branch) as requested including Burn Surge communications coordination.

BUSINESS STRUCTURE

Coalition members and partners work together through an Advisory/Planning Board process with monthly meetings.

- Regional coalition Planning Board members meet monthly to review progress, approve spending plans, and review status of objectives.
- Meetings convened and facilitated by coalition chairperson who is elected annually from membership based on adopted bylaws that outline eligibility and tenure.
- Meetings follow a published agenda guided by Roberts Rules of Order
- Advisory workgroups such as Education, Hospital, Long Term Care (workgroup under Hospital Advisory Committee), Pharmacy, and Operational Planning meet as needed.
- Documentation of participation and progress is consistently recorded.
- Information is shared as appropriate with the regional and statewide partners and stakeholders as necessary.
- Work plans, exercise planning document, education and training documents reviewed and posted
- MCA Fiduciary (Planning Board Treasurer) monitors budget and actual spending including check requests, American Express cards, payroll, audit, and legal expenses
- Regional staff and Regional Medical Director collaborate with the State Division of Emergency Preparedness and Response including regular meetings and reporting documents

ASSETS

The Regional Medical Coordination Center has access to various items to help in a response to an emergency or need:

- MMRS and R2N morgue trailers
- MMRS and R2N oxygen generation trailers
- R2N alternate care system and evacuation response trailers (cots, tents, command, etc.)
- Statewide systems (EMResource HAvBed, MICIMS, MIHAN, MI-Volunteer Registry, EMTrack)
- Sound system
- Communication devices
- Laptop Ventilators (at hospitals and EMS agencies)
- Badging Systems
- MI-MORT activation protocols
- MI-TESA activation protocols
- Coordination with the State Community Health Emergency Coordination Center
- MEDDRUN and CHEMPACK and SNS activations
- Decontamination equipment
- Regional small cache of personal protection equipment
- Special Pathogen Response Network

COALITION MEMBERSHIP

Hospitals:

1. Ascension Macomb Oakland Hospital – Madison Heights (Level IV)
2. Ascension Macomb Oakland Hospital – Warren Campus (Level III)
3. Ascension Providence Hospital – Novi Campus (Level II)
4. Ascension Providence Rochester Hospital (Level III)
5. Ascension Providence Hospital – Southfield Campus (Level II)
6. Ascension River District Hospital (Level IV)
7. Corewell Health Farmington Hills Hospital (Level II)
8. Corewell Health William Beaumont University Hospital (Level I – Burn Surge Facility, Level II Pediatric)
9. Corewell Health Beaumont Troy Hospital (Level II)
10. Henry Ford Macomb Hospital – Clinton Twp.(Level II)
11. Henry Ford Hospital – Sterling Heights
12. Henry Ford Hospital - West Bloomfield (Level III)
13. Huron Valley - Sinai Hospital (Level III)
14. Insight Surgical Hospital
15. Lake Huron Medical Center (Level III)
16. McLaren – Macomb (Level II)
17. McLaren - Oakland (Level II – Burn Surge Facility)
18. McLaren – Oakland Clarkston
19. McLaren - Port Huron Hospital (Level III)
20. Pioneer Specialty Hospital in Pontiac
21. Pontiac General Hospital
22. St. John Medical Center - Macomb Township
23. Select Specialty - Macomb
24. Select Specialty – Pontiac
25. Straith Hospital
26. Surgeons Choice Medical Center
27. Trinity Health Oakland Hospital

Psychiatric Hospitals

1. Behavioral Center of Michigan
2. Harbor Oaks Hospital
3. Havenwyck Hospital
4. Henry Ford Kingswood Hospital

Medical Control Authorities:

1. Macomb County Medical Control Authority
2. Oakland County Medical Control Authority
3. St. Clair County Medical Control Authority
4. Health Emergency Medical Services MCA (Fiduciary)

Public Health:

1. Macomb County Public Health
2. Oakland County Public Health
3. St. Clair County Public Health
